Dear Mr. Director:

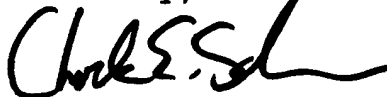

It has come to my attention that an organization calling itself the "Iran Relief Fund" has been conducting fund raising activities in this country with federal tax exempt status and support of many states. I also learned that this organization is considered by the State Department as one which advocates terrorist activity.

Therefore, I request to be provided with any information that has been gathered by the Central Intelligence Agency about the membership and activities of the "Iran Relief Fund". Please enclose any evidence of terrorist activities by this organization, as well as any conclusions that your office has drawn as to the participation of "Iran Relief Fund" in any illegal activities in this country.

I also request information about the C.I.A.'s efforts to locate terrorist organizations in the United States. Please provide me with any list of organizations connected to terrorist activities compiled by the C.I.A.

Thank you in advance for your prompt attention to this important matter.

Sincerely,

CHARLES E. SCHUMER
